ABOUT ME

Edward is a very loyal and dedicated individual. Dedication and passion to his work is what make him an asset in any production. As a broadcast engineer and live event director, Edward has directed live shows both large and small, for television and online audiences.

As a filmmaker Edward has produced, directed, and written two short films, a commercial campaign, and three mini documentaries: one of which won first place in a student film festival. Also winning him an award for best graphics/special effects.

EXPERIENCE

Broadcast Engineer

Church of the King / Mandeville, LA / 2019 - current

Oversees the training of camera operators and directors and works with organization leaders and producers to create a specific look for broadcast to online media and tv outlets. Edits an hour and fifteen-minute video for online, including mixing audio and graphics, as well as editing out any unwanted material weekly. Also oversees engineering and maintenance as it pertains to broadcast equipment.

Director / Freelance

Broadcast and Production Services / New Orleans, LA / 2020

- Directed and setup a live 3.5-hour event called the Hope Gala in New Orleans. A three-camera shoot with live hosts and guests such as Demario Davis of the New Orleans Saints, and speaker Nick Vujicic.

Technician

Greer Equipment / Mandeville, LA / 2011-2019

Work with customers to repair inoperable machinery and electrical cooking equipment. Also assisted in training and implementation of new resources and tools for other technicians, and at times customers.
